## ABOUT THE CAMP

Raffles American School is one of the premier boarding schools in Malaysia. All our teachers are trained and accredited. The aim of the camp is for students to experience RAS and participate in an intensive English language program that will build upon their current level of English. Class sizes are limited to 17 students per class to ensure individual attention is given to each student. During the camp, students will be introduced to extra-curricular activities such as sports, music, and arts after class.

Boarding students will enjoy living on campus at our state-of-the-art facilities. Activities will be planned in the evenings and on the weekend for these students. While in boarding, all students will be cared for by our dedicated and professional boarding staff. All meals and snacks (3 meals and 2 snacks per day) will be prepared by our school chef to ensure that we only serve a balanced diet of fresh, nutritious foods.

*(\*Only students that are 8 and older are allowed to stay in boarding)*

## Let The Adventure Begin At **Raffles**AmericanSchool

### CAMPUS DESIGN

Set among lush rolling hills in the fast-growing city of Iskandar, Malaysia, the new Raffles American School campus accommodates pre-kindergarten through 12th-grade students. The 19-hectare school a holistic learning environment seamlessly interwoven into its beautiful setting. Given the slope of the site, the campus consists of three main “terraces” with each terrace occupied by a cluster of grade levels. Our facilities include student-centered classrooms, labs, art studios, a performing arts center, a library, and student housing.

In the United States, people travel all the way to New York City to experience the planetarium in the Natural History Museum. Raffles American School has a custom-designed planetarium built on campus for our students to use and enjoy. At RAS, with our state-of-the-art facilities, your child is invited to **Think. Create. Succeed.**
