

2023

## Explore Hawai'i while you learn with students from around the world.

**Dates: June 26 to July 21, 2023**

**Cost: \$5,700 (boarding)/\$1,800 (day)**

Do you have a passion you want to pursue? Our specialized four-week, full-day Academies are designed for both day and boarding students, ages 11 to 17. Students come from Hawai'i Island and around the world to expand their academic potential and discover learning adventures within our extraordinary ecosystems, landscapes, and culture.

We also offer weeklong Enrichment Camps for day students in June and July, as well as our Ka Makani Keiki Camp (grades K-5).

### ACADEMIES OFFERED

- Young Authors Academy
- Arts Academy
- Sustainability Academy
- Marine Explorations Academy
- English Language Learners Academy

*Students will have multiple options within each academy.*

## ACTIVITIES FOR BOARDING STUDENTS

### EVENING ACTIVITIES

Evening activities are designed to build relationships between students from around the world as well as encouraging individual social and emotional growth.

Activities may include pool parties, open gym, smores, crafts, BBQ at Hapuna Beach, team games, town vans, open mic, talent show, and flashlight tag.

### WEEKEND EXCURSIONS

Weekend excursions provide an opportunity to explore the island, and enjoy the beauty, nature, and variety of experiences that Hawai'i Island has to offer.

May include beach blast at Anaeho'omalu Bay, dinner and a movie, Pololu hike, Hāpuna Beach, Kalōpā hike, carnival, water slide, dance, and Fairwinds snorkle boat tour.

### SPORTS

ADDITIONAL FEES MAY APPLY

Summer at HPA offers intramural sports, tennis, and horseback riding. All sports run daily, after classes, from 3:30 - 5:00 p.m.

Intramural sports build basic skills and encourage team play. Activities may include flag football, ultimate frisbee, basketball, soccer, swimming, tennis, volleyball, hiking, kickball, and softball.

## PARENT TESTIMONIAL

"Our son returned talking about the magical environment: from the falls, rivers and the ocean, to living in the dorms. We are thrilled he came back tall, strong and mature. He loved the dorm life where he had to be responsible for his own time management and learned many new life skills. He initially hated the idea of going to camp, now he is begging us to send him there every year!"
