

English as a Second Language (ESL) Summer School

Learn English at Albert College

Albert College offers an exciting summer school program for students from 12 to 18 years old to learn English and experience Canada. Students will be better prepared for studying in an English-speaking school with this ESL study program focused on listening, reading, writing and speaking skills, or when taking English as an academic subject in their country of origin.

Our class sizes are small and students will gain skills quickly as they are fully immersed in an English environment. Taught by certified native English teachers, our program is challenging for all levels and provides a welcoming environment to make new friends.

Experience Canada

Each participant receives classroom instruction during the day and enjoys a variety of exciting activities in the evenings and on weekends. Our trips are engaging, while providing an opportunity to further improve English skills. There are three weekend activities planned to explore Ontario, Canada. Possibilities include:

Niagara Falls

Explore Toronto

Canada's Wonderland

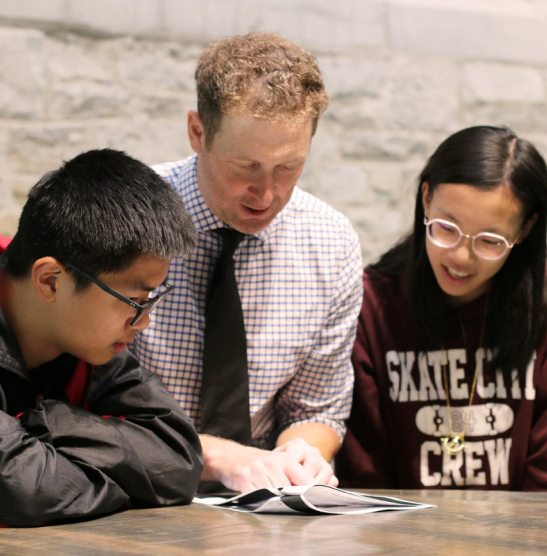

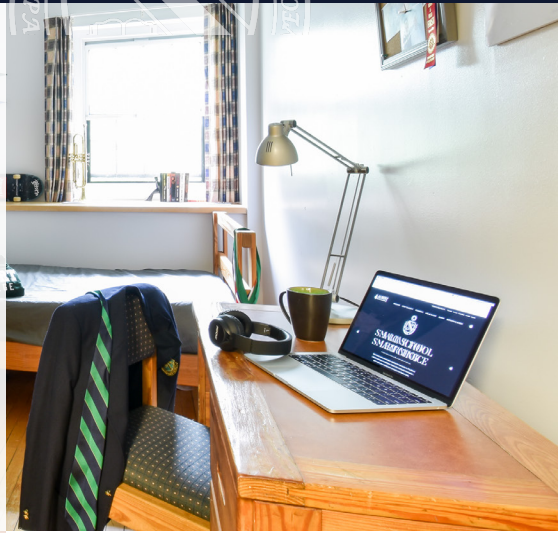

ESL Summer School

2024

Where will I live?

Albert College is located two hours east of Toronto in Belleville. With a population of 56,000, Belleville offers the amenities of a big city in a close-knit, friendly and safe community. Boarding life includes fun afternoon activities and an evening study period. Dormitories have laundry, common rooms with a TV, gaming equipment and exercise facilities.

What is included with registration?

- › 25 hours each week of language instruction
- › Boarding accommodation on campus
- › Wireless Internet access
- › Three meals and snacks daily
- › 24-hour adult supervision
- › Report card and certificate of completion

Join us July 31 - August 23, 2024
