

UCC SUMMER LIFE

English Enrichment Camp

"The memories I have forged at Summer Life are some of the best in my life and I'll truly cherish them as long as I live. The Leadership program taught me valuable skills that I will bring to future experiences." - Brian, Hong Kong, age 16

"Thank you for teaching me and creating fun activities and trips around Toronto, this is the most fun I have ever had at a summer camp." - Phuoc, Vietnam, age 14

"I had the time of my life! Such a great experience!" - Abdul, Oman, age 15

Program Outline

The English Enrichment program provides an exceptional experience at one of the top independent International Baccalaureate schools in Canada. Students from all over the world are immersed in Canadian culture, attending daily lessons focused on reading, writing and oral English skills. Our program is designed for students aged 10 to 13 years who are motivated to advance their English skills in our unparalleled summer-in-residence experience, combining day lessons with local Toronto students and evening activities with our international community. This program provides a "taste of Toronto" and is ideal for student who intend to attend secondary school or university in Canada.

We offer 9 sections of the 1-week day camp program in both July and August! In order to provide individualized support, we offer a select number of spaces. Register Now!
