DIRECTOR'S INTRODUCTION

We are really looking forward to welcoming our students back to Sedbergh to take part in another action-packed International Summer School programme.

As part of the Sedbergh School family, we are proud to boast a reputation that reflects almost 500 years of tradition and heritage. The Sedbergh SPIRIT is at the heart of all we do, reflecting our School's ethos as we inspire, empower and develop our students throughout their Summer School journey.

Our English language courses support everyone from the most fluent of English speakers to the least proficient and with an ambitious activity programme, alongside exciting excursions and an engaging evening social programme, pupils are encouraged to take full advantage of the wealth of opportunities available to them.

Our dedicated team is committed to providing our pupils with a rich educational experience within an environment that encourages them to flourish. Pupils navigate their way through their chosen programmes, communicating, collaborating and developing in confidence as they make the most of the vast array of exciting opportunities available to them.

I think it's safe to say that our pupils will return home with far more than an improved ability to communicate in English and I look forward to welcoming them to Sedbergh 2024.

Course Director

SPIRIT & THREAD OF GOLD

THE SEDBERGH PHILOSOPHY

Enabling children to develop positive attitudes and behaviour is vitally important to us. SPIRIT and Sedbergh's Thread of GOLD form the backbone to the Sedbergh International Summer School programme.

Self-motivating - a pupil who works hard, is enthusiastic about what they do, actively engaging in their lessons, activities and in life in the boarding house;

Persevering- a pupil who tries their best, even when the task ahead is difficult;

Independent - a pupil who is self-reliant and able to take responsibility for themselves in all that they do;

Resilient - a pupil who can adapt to new environments, asking for help when needed and embracing challenges they are faced with;

Imaginative - a pupil that can think of new and different ways of doing things and can use this to be creative;

Teamwork - a pupil that demonstrates respect and empathy towards the wider group, working effectively towards a common goal;

We aim to create a unique environment for the development of our young people and believe that children best develop skills and attitudes when they are inspired. With fun and enjoyment at the very heart of delivery, pupils are supported throughout their stay as they develop the behaviours inspired by **GOLD**, namely:

GGROWTH | **O**RIGINALITY | **L**EADERSHIP | **D**ETERMINATION

A SUMMER SCHOOL BUILT AROUND YOU

With a minimum of 15 hours of formal English lessons each week, pupils are placed onto the Junior (Ages 8-11) or Senior Course (Ages 12-16). All Sedbergh teaching staff are experienced, enthusiastic native level speakers. Our 1:15 teacher-pupil ratio ensures pupils benefit from their teacher's dedicated time and attention.

Formal lessons are timetabled on Monday, Tuesday, Wednesday, Friday and Saturday mornings. (Thursdays and Sundays are excursion days). Active Communication is encouraged throughout the course and language skills continue to develop as our pupils take part in a wide and varied range of excursions and activities. Speaking, listening and reading skills are continually assessed and improved alongside their general comprehension and understanding of English grammar.

During lessons, students are divided into groups by age and ability, based on their placement test results. Lessons are tailored to the needs of the group, thus maximising pupil engagement, enjoyment and language development.

Every student receives a full academic report and certificate at the end of the course with comments from their Teacher, Houseparent and the Course Director.

The Right Level For You

Pupils will complete a short online placement test in advance of the course, the results of which enable teachers to allocate them to the most appropriate class for their ability.

COMMUNITY ENGAGEMENT

At Sedbergh, we value the importance of community engagement. Regular conversation with local British people will help to develop a pupil's spoken English.

Pupils will have the opportunity to engage with our local and wider communities, visiting our neighbouring towns and engaging in specific activities that have been developed to encourage our pupils to practice their newly acquired language skills.

Run by our dedicated team of specialist staff, pupils can tailor their Summer School experience to reflect their own specific interests. LEADERSHIP & INTERNATIONAL RELATIONS ACADEMY (LIRA)

14 - 16 YEARS OLD

6 JULY - 20 JULY 2024, SEDBERGH CAMPUS

LIRA is a transformative, 2-week development programme for 14-16 year olds.

Leadership develops through a combination of knowledge, tools and experience.

Designed as a progressive curriculum that continuously stretches the pupils in a supportive and encouraging environment, LIRA enables young people to learn, explore and practice the foundations of how to lead themselves and others through a combination of personal coaching, experiential learning and fun excursions.

Programme content is delivered using in-person priming sessions followed by individual and group exercises, all of which focus and relate back to our four themes: leading; caring; connecting and exploring.

LIRA is run by a team of subject matter experts more usually found working within the corporate environment. Week one focuses on leadership skills acquisition which are then put into practice over the weekend in a 'real life simulation' experience. Week two allows students to explore global challenges, applying their newly acquired skills to lead change.
