2 Weeks | Arrival: March 24 - Departure: April 6

AGE

Grades 8-11

COST

\$3,000 - Includes accommodation (double rooms), classes according to daily schedule, weekend activities, fitness classes, meals, pastoral care and use of sports facilities on campus.

FEATURES

- Live and learn at a boarding school in America
- English language immersion
- Regular academic schedule
- College Seminar and introduction to the American University system
- Off-campus excursions, both academic and recreational, such as an educational trip to Little Tokyo, visiting the beach, shopping at an outdoor mall and our local Farmer's Market

PROGRAM

Besant Hill School's short-term program features a college preparatory experience in a full immersion language development program with multiple enrichment opportunities. Students will experience instruction in English language acquisition, attend their choice of our extensive art class offerings, participate in both academic and recreational off-campus excursions, and learn about the college and university system in America while engaging with Besant Hill's rich international community in the beautiful Ojai Valley. Our two-week program is an exciting opportunity for students to learn more about the educational experience in an American boarding school that develops students's passion and love for learning.

OTHER REQUIREMENTS

- Intermediate English proficiency
- Health Insurance independently purchased by students
